

Associated Fiberglass
Fiberglass Prewired Buildings and Enclosures

AMETEK/US Gauge, PMT, Mansfield & Green Seal Divisions
Gauges, Pressure Transmitters & Diaphragm Seals

Arch Chemical, Inc.
Dry Calcium Hypochlorite Feeding Systems
Using the Constant Chlor Plus Briquette for Disinfection Applications.

Cla-Val Company
Automatic Control Vales for Flow, Pressure, Solenoid, Electronic, Backflow, Pump & Level Control, & Air Valves

FLEXIM Americas Corp.
Non-invasive Ultrasonic Flow Measurement for Liquid and Gas Measurement and Inline Process Analysis Instrumentation

Hach Flow/ Sigma/ Marsh-McBirney
Flowmeters for Open Channel Partially filled Round Pipes, and Closed Pipes; including Flow, Level & Velocity. Portable & Permanent

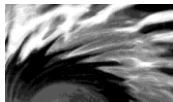

Jogler
Direct Reading Level Gauges, Magnetic Level Gauges, & Flow Indicators

Krohne
Electromagnetic, Coriolis, Variable Area, Vortex Flowmeters and Level Instrumentation

Marsh-McBirney / McCrometer
Multi Point and Single Point Insertion Magmeter.

The Mastrrrr Company
Vacuum Induction Submersible & Inline Feeder Mixers for Induction of Gases, Liquid & Air, Gravity Feed Systems

PeriFlo, Inc.
Seainless, Dry Running, Self Priming, Abrasion Resistant, Reversible Rotation, Peristaltic Chemical Feed Pumps

ProMinent Fluid Controls, Inc.
Metering Pumps, Chemical Feed & Analytical Equipment, Liquid & Dry Polymer Feed Systems

PP Pulsar Process Measurement
Ultrasonic Level & Flow Instrumentation, Open Channel Flow, Pump Controllers, Liquid or Solid Measurement

RKI Instruments
Permanent & Portable Gas Monitoring Instruments

Raco Manufacturing Company
Automatic Telephone Dialers, Remote Alarms & Controls, Data Acquisition Systems

Regal – Chlorinators, Inc.
Gas Chlorinators, Sulphonators & Ammoniators, Leak Detectors, Flow Pacing & Safety Equipment

Severn Trent Services Capital Controls
Gas Chlorinators, Sulphonators & Ammoniators, Leak Detectors, Safety Equipment & Analyzers
MicroDynamics / UltraDynamics
Open Channel Wastewater Microwave and Closed Pipe Ultraviolet Disinfection Technology

Scaletron, Inc.
Mechanical, Digital & Hydraulic 150#, Ton Cylinder, Tank & Platform Scales

Sparling Instruments, Inc.
Magnetic, Vortex, Propeller & Ultrasonic Flowmeters, Recorders & Indicators

Telog Instruments, Inc.
Paperless Data Recording Instrumentation for Environmental, Process & Power Utility Applications
